The Sun acknowledges receipt of a beautiful hand painted program of the entertainment at the Public School under Prof. J. S. Moten at Pleasant Hill, Mo.

The coming of one hundred Negro mechanics to the Western University, June 15, to be trained by the Government means much for both the institution and the race of this Western country and the trustees are to be congratulated upon having closed this deal with the Government.

Governor Gardner did a fine thing in giving an honor prisoner at Jefferson City permission to go to Quindaro to witness the graduation of his daughter and the prisoner proved true to his trust by returning on schedule time.

More and more avenues and opportunities are opening for capable people of our race and much of the prejudice that formerly existed concerning the employment of colored men and women in positions of responsibility and trust where they come in contact with the other race is rapidly disappearing. So note it be.

Since the United States entered the war on April 2, 1917, our information is that 219 Negro men, women and children have been killed and lynched by mobs in addition to two white men, one of these being Robert Prager. Four Negroes were lynched in Alabama, 2 in Arkansas, 1 in Florida, 7 in Georgia, 1 in Kentucky, 11 in Louisiana, 3 in Mississippi, 1 in North Carolina, 2 in Oklahoma, 2 in South Carolina, 5 in Tennessee, 9 in Texas, 2 in Virginia, 1 in West Virginia, and 1 in Wyoming. In addition to these cases of lynching, 175 men, women and children were tortured, burned and killed at East St. Louis in July, 1917, and three Negroes were killed by a mob at Chester, Pa., in September, 1917. In some of these cases the lynchings were particularly atrocious. In Tennessee, for example, three men were burned at the stake, the burnings being accompanied by savage torturing. In one case, which occurred two weeks ago, the body of the victim was burned at the stake after having been lynched by hanging.

## THEY SAY

—That if you want to know the value of money try to borrow some.

—That a Negro with big ideas and no money doesn't count for very much.

—That there are more policy writers in Old Kansas City than there are Insurance Collectors.

—That the Negro who will not pay an honest newspaper bill is unworthy of trust or respect by business people.

—That some people are fools because they can't be anything else and others because their friends enjoy them being so.

—That there is as much exercise in working your garden as in the long runs on the tennis court and far more beneficial.

—That the girls who have had a hard time getting married are going West where men are plentiful and women are scarce.

—That a certain man, who said he could eat nothing but the dark meat of the chicken is satisfied with the neck, feet or just any old part.

—That a certain brother, who has been studying hypnotism, was practicing his art on a certain woman, but her husband came in before she had resumed consciousness and the brother had a hard time explaining her presence there.

—That a railroad porter, who came home unexpectedly, found a new suit and a pair of silk pajamas in his bed room; his spouse didn't know where they came from, but Betty and Sam think Santa Claus must have been there.

—That a certain preacher, who had prevailed upon a young man to follow the straight and narrow path, thirsty for a little "appetizer," stepped into a saloon where the young man was working and he in turn advised the preacher "to go forth and sin no more."

Dr. Sidney E. Johnson sold to Smith Shannon the cottage located at 922 Michigan Avenue. Consideration, \$1,300. C. R. Groves, of the Square Deal Realty Co., made the sale.

Kansas City, Mo.  
I suffered with lumbago for a long time and I heard of Mackey's Liniment. I used one bottle of this Liniment and was entirely cured, and I feel safe to say it is the best Liniment made and it cannot be beat. I must say Mackey's Liniment will do all it is recommended to do. JOHN SAULSBERRY, 2414 Highland Ave., Bell East 3757.

Kansas City, Mo.  
I want to say I used one bottle of Mackey's Liniment and it has done me more good than any medicine I ever used. For 15 years I suffered with rheumatism and for five years I suffered with severe throat trouble, but am now cured. For these complaints I find nothing to equal Mackey's Liniment. MRS. LAZZIE LOGAN, 800 Independence Ave.

Sir: Please allow me space in your paper to say a word about Mackey's Liniment. I suffered with pains in my feet, legs, back, stomach and after examination I found the pain in my back to be lumbago. Learning that Mackey's Liniment was a cure for the same, I ordered a bottle at once and after applying the same as directed I was restored to my normal feelings. This was the fourth bottle used in my house—the first time for lumbago. I will highly recommend it to anyone disabled with the above named symptoms and for all kinds of pains. MRS. SUSIE CRAIG, 1301 Bellview, Kansas City, Mo.
